Dues and Assessments -

Dues are billed in advance and there shall be no assessment of any kind ever levied against the membership. It would be expected that dues and fees would increase over time, consistent with an inflationary economy and to ensure the economic profitability of the Club. It is impossible to tell what future fees they will be as are dictated by economic factors as well as expansion needs of the Club. However, all decisions regarding dues and fee changes will be made by the professional management team. All billing will be done through the Club billing system, or whomever the management team may designate in the future.

No Assumptions of Liability or Ownership -

It is understood and agreed that this membership does not confer upon me any ownership or liability to the Club property or assets. I am assuming liability for membership dues only.

Payment of Dues -

The Club handles its dues collection through a direct draft from either a checking or savings account, or by payment in full for the amount of annual membership dues. A fee of \$25 will be charged on any returned checks or automatic bank debits.

Rules & Regulations -

It is understood that this membership and all persons using the Club hereunder are bound by and shall comply with all the rules and regulations of the Club as they exist and as they may be amended from time to time.

Management -

The increased complexity of operating private Clubs demands full time professional management by trained and knowledgeable people. Therefore, the management of The Riverfront Swim Club is under the direction of The Riverfront Swim Club, a member of East West Partners. The Riverfront Swim Club has the complete responsibility for managing the Club so that it always remains both a source of pride and enjoyment to its members, and a club that is an economically viable and self-sustaining venture.

Resignation -

All resignations must be received in writing and sent to the Club Manager of The Riverfront Swim Club by the 25th of the month preceding membership termination. Until receipt of your written resignation and settlement of your Club account, you are considered to be an active member. Non-member residents of Harbourview may not use the pool or attend swim club sponsored events. If, in the future, you wish to rejoin The Riverfront Swim Club, you will be required to pay the full non-discounted initiation fee.
