Ultimate Frisbee

What is Ultimate Frisbee? It is a team sport played with a Frisbee. The object of the game is to score points by passing the Frisbee to a player in the opposing end zone, similar to football. Players may not run with the Frisbee though.

We are looking to organize some pick-up Frisbee games starting this Spring. Whether a beginner or an advanced Frisbee player, we'd love to have you come out and play! If you are interested, please email amyblankson@gmail.com
